Professional Experience

Venuebook Hospitality & Events PVT Ltd Aug 2026 – Nov 2026
Full-Stack Intern (Founding Engineer) -

- Developing and maintaining full-stack web applications using modern frontend and backend technologies, focusing on responsive design and seamless user experiences.
- Building reusable React.js components and integrating REST APIs to deliver dynamic, scalable, and maintainable application features.
- Working with backend services, databases, and API integrations to implement end-to-end functionality and support efficient data management.

Mymomdad.com Sep 2025 – Oct 2025
Frontend Developer Intern -

- Developed responsive layouts using React.js and Tailwind CSS, ensuring smooth user experience across desktop and mobile screens.
- Implemented reusable component patterns and integrated API responses efficiently, reducing UI development time and improving maintainability.

Technical Projects

RozgarWala – Worker Hiring Platform for Rural India Live Demo

- Developed a full-stack worker hiring platform using React.js, Tailwind CSS, Node.js, and MongoDB to connect skilled laborers with customers through a responsive and intuitive interface.
- Integrated OTP-based authentication and architected backend models for workers, job requests, and user roles, enabling future enhancements such as multilingual support and digital payments.

Cleen Foundation – NGO Management System Live Demo

- Developed responsive and user-centric interfaces for Home, About, Contact, and Donations pages using React.js and Tailwind CSS, ensuring a seamless experience across devices.
- Engineered reusable UI components and optimized frontend architecture, enhancing maintainability, scalability, and navigation throughout the NGO management platform.

Education

Banaras Hindu University 2024 – 2026
Master of Computer Applications (MCA) *CGPA: 7.85/10*

Signa Institute of Professional Studies 2019 – 2022
Bachelor of Computer Applications (BCA) *68%*

Certifications & Achievements

- MERN Stack Certification – Apna College
